

## Adding Blackboard as a Trusted Site – Internet Explorer 8

To ensure that Blackboard features such as the Visual Text Box Editor that is used with the Discussion Board and with quizzes, it is recommended that you add the Blackboard web address to your list of trusted sites

- From the **Tools** menu at the top right, select **Internet Options**.

- Click on the **Security** tab, then **Trusted Sites** and then **Sites**.

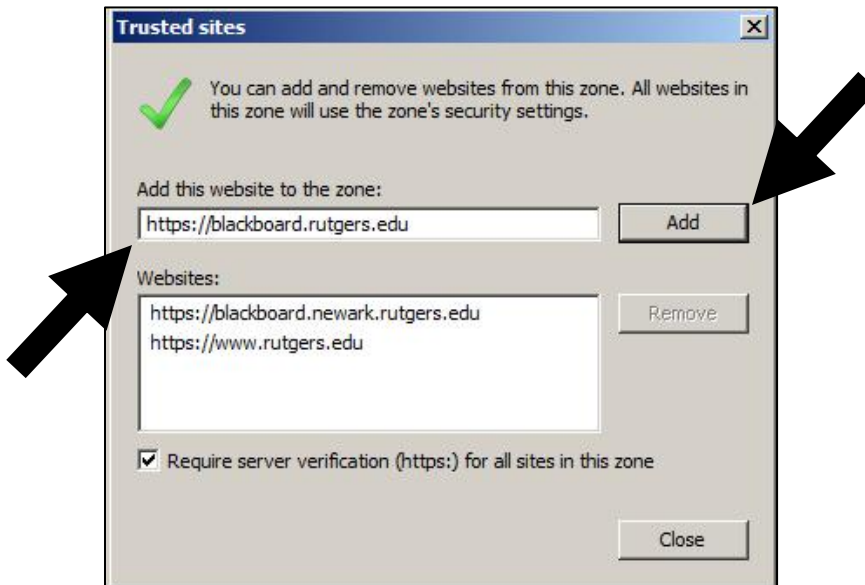

- The address will be pre-populated based on the website that you are on. If necessary, type in the address, click **Add**. Enter any additional addresses so that you trust:

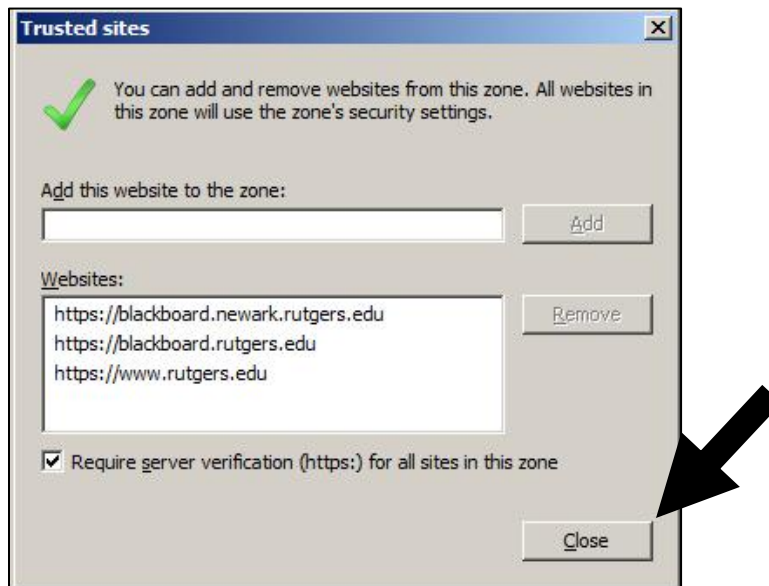

<https://blackboard.newark.rutgers.edu>

<https://blackboard.rutgers.edu>

<https://www.rutgers.edu>

- Click **Close**.

- Click **OK**.
